

United Church of Christ Congregational – Wallace  
Executive Board Meeting  
May 3, 2026

---

Present: Ben Crosby, Katie Bauer, Alice Ling were present.  
The minutes from the April 12<sup>th</sup> meeting were not available. Katie will email them to the Board.

Treasurer's report: the Treasurer's report was received. Ben pointed out that we will need a corrected report as the latest insurance payment (~\$2,000) was not included. Investments are also not reflected in the monthly report. We are not keeping up financially, and we should look for alternative insurance for the building.

1. Andy CastroLang will be here on 5/24 and we are planning to recognize her on that Sunday.
2. The stove and floor projects will need to work around election day.
3. Alice will be meeting with Vitalant in May to talk about the blood drive.
